

 **Owner's Manuals**

In order for us to assist you in providing your particular Club Car Owners Manual, please enter your name, email address, and the vehicle serial number. The PDF file for your Club Car model and year (if available) will then be emailed to you. To purchase a printed copy of an Owner's Manual, Illustrated Parts List, Maintenance & Service Manual, or Parts/Accessories for your Club Car vehicle, please send a request via the [contact us page](index.php?option=com_content&view=article&id=25&Itemid=89).

Locating the Serial Number

The serial number of each vehicle is printed on a bar code decal mounted either below the passenger side cup holder or above the accelerator or brake pedal (Example: PH0901-123456, as shown to the right). The two letters at the beginning of the serial number (1) indicate the vehicle model. The following four digits (2) indicate the model year and production week during which the vehicle was built. The six digits following the hyphen (3) represent the unique sequential number assigned to each vehicle built within a given model year.
